AGM Minutes

Friday 24 Nov 2017 – 8.15 PM – London Rowing Club

1. Apologies: Callum Arnold
2. President's Report:
 - a) 2017 saw the Women bump to head in torpids for the second time in the Club's history and we hope to see the women retain this position in 2018.
 - b) Great progress made in the Blades scheme, £20,000 annual sponsorship being transferred to the OCBC in the Club's 2016/17 year. However, £2,875 came from one-off donations, two Blades life memberships and a top-up. The full year-by-year achievement of our £20,000 commitment needs another 23 Tortoises to step up to the mark and become Blades.
 - c) Intention to enter a Tortoise Club crew, racing as Oriel College Boat Club, at Head of the River Race 2018. Tortoises to contact president if interested in racing.
3. Election of Council Members:
 - a) Claire Toogood: Proposed by Stevan Boljevic, seconded by Robin Stainer
 - Unanimous support
4. AOB:
 - a) Rowing Blazers have said they can size up club members for blazers in London. Contact president for further details.
